

Special Educational Needs & Disabilities

What have we done

January to the end March 2019

NEL have recruited an additional **Educational Psychologist**

NEL have advertised for **2 additional EHCP co-ordinators**

NEL have advertised for a **Access Pathway coordinator**

changing school

Our '**Best Practice Transitions**' pilot project with Delta Academy Trust has started.

The Young People's SEND Advisory Group (YPAG) have **designed their own logo** and are **redesigning the EHCP format**.

33 parents/carers attended FREE workshops to help them support their child's mental health and emotional wellbeing.

40 Young people were supported by School Nurses using Cognitive Behavioural Therapy (CBT) approach.

Health visitors have improved the number of children seen at their two—two and a half year check to **89%**.

78 young people, parents/carers, and professionals took part in the independent **Access Pathway review** with Healthwatch.

parents carers

A range of partners including **parent/carers have co-produced** a new **access pathway referral form**.

75 people attended 2 workshops on planning how to change the process of asking for an assessment of SEND and an EHCPs. Parent/carers took part in an EHCP workshop to review and revise our EHCP documents in NEL

More than 25 schools have signed up for a '**How to guide to setting up and developing a parent/carer SEND support group in your school**' workshop - taking place in May 2019.

workshops
